

**SURFACE MOUNTED STAINLESS
STEEL AISI 304 BRIGHT FINISH**

Code: DT2106C

General description

Paper towel dispenser, surface mounted stainless steel AISI 304 bright finish.

Manual dispenser.

Robust and vandal-resistant.

Suitable for high traffic facilities.

Model suitable for public use.

It generally goes along with a soap dispenser and paper waste receptacle stainless steel AISI 304 bright finish, complemented by a warm air hand dryer.

Rear base plate provides multiple mounting slots.

Front opening lid by using a provided mediclinics key.

Components and Materials

Stainless steel AISI 304 perfectly welded body, 0,8mm thick, bright finish. It is mounted on the wall by means of 4 screws with their corresponding Ø6mm wall plugs (screws and wall plugs provided). The support of the screws in the back of the appliance are acting as an anti-moisture support, as well as allowing an easy adjustment to the wall. The slots inside of the body avoid the screws damaging the paper towels. The opening presents edged borders in order to avoid tearing of paper towels.

Stainless steel AISI 304 seamless one-piece lid, 0,8mm thick, bright finish. Fixed to the body by means of 2 rivets. It includes a lock with standard mediclinics key, that allows swinging down of lid for replenishment.

A frontal window indicates refill time.

Dim ± 4%

Technical Specifications

Dimensions	330x275x130mm	Towels	100x260 mm max.
Weight (empty)	1,80 Kg	C-fold towel capacity	400 u
