

TECHNICAL DATA SHEET

Product name	SUPER-TWILL HYGIENE
Product number	74710/12 – 84605/06/07/09 & 74711 - 84608
Product code	7350/7351
Style	Duralace
Colour	White/Blue
Composition	93% fibre, 7% binder
Fibres	70% Viscose , 30% Polyester

Properties	Typical value	Test
Weight	80 g/m ²	TM 1150
Tensile Strength		
MD	500 N/12 plies	TM 1005
CD	420 N/12 plies	TM 1009
CD Wet	270 N/12 plies	TM 1010
Thickness	2,84 mm/4 plies	TM 1031
Sinktime	< 2s	TM 1015
Absorption Capacity	900%	TM 1016

Specifications

The wipes are in compliance with regulation EC 1935/2004 of the European Parliament for materials intended to come into contact with food materials.

Certificat ISEGA nr 32223 U 11 

The specifications of the products supplied are based on the specifications mentioned in this technical data sheet and can vary within a certain scope per specified item.

Product manufactured by PGI in the Netherlands, certified ISO9001 company

10-11/01
