

**SURFACE MOUNTED, JUMBO-ROLL TOILET TISSUE DISPENSER 400m STAINLESS STEEL AISI 304 BRIGHT FINISH**

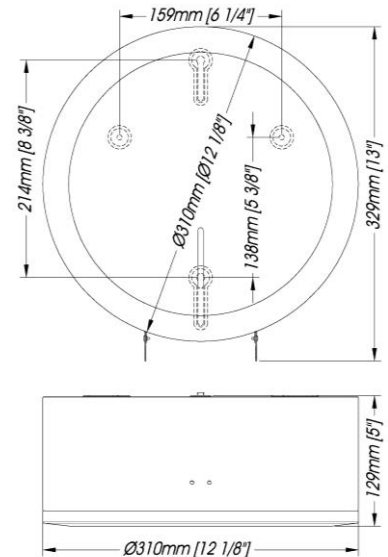

Code: **PR2787C**

**General Description**

Jumbo-roll paper dispenser for industrial rolls of 400m, surface mounted stainless steel AISI 304 bright finish.  
Manual dispensing.  
Robust and vandal-proof.  
Suitable for very high traffic facilities.  
Model suitable for public use.  
It generally goes along with a toilet brush and waste receptacle and complemented by a warm air hand dryer.

**Components & Materials**

Stainless steel AISI 304 bright finish one-piece body, 0,8mm, round Ø310mm, with a catch system to prevent the opening of the lid. The supports of the screws in the back of the appliance, are acting as an anti-moisture support, as well as slots to avoid the screws damaging the toilet paper. It is mounted on the wall by means of 3 screws with their corresponding Ø6mm wall plugs (screws and wall plugs provided). It includes a lock system with standard mediclinics key, that allows opening the lid for replenishment.  
PA6 plastic axis, for standard Ø45mm paper rolls tube, with inertial anti-spin retainer. The axis allows the use of a standard paper roll in case of need.  
Stainless steel AISI 304 bright finish one-piece seamless lid, 0,8mm. Fixed to the body by means of rivets that allows swinging down of the lid for the replenishment. Frontal window indicates refill time.

Dim ± 4%
